Sir:

In response to the Office Action mailed on October 7, 2003,
please amend the application as follows:

CHANGES MADE TO CLAIMS:

1. (Currently Amended):

A vehicle articulating roof rack system having a
multipurpose activity frame, comprising:

~~a vehicle articulating roof rack system having a~~
selectively ~~removable~~ movable portion of the
articulating roof rack system operable between a
stowed roof mounted position and a slideably and
pivotally repositionable back end mounted position;

a stationary top portion received by the
selectively ~~removable~~ movable portion of the
~~articulating roof rack system;~~ and
